Pure Vibrations Sprays

Our Pure Vibrations Essence sprays are designed specifically to provide the instant energetic support that can help you maintain positive vibrational alignment no matter what challenges you face in life.

They have been formulated to provide support with those issues that are the most commonly challenging ones for many people right now.

Essences sprayed into the auric field act very quickly and are especially helpful at those times when you feel temporarily out of balance or off centre.

Essence Type: Essence Combination Spray | Stock Level

How to Use

Spray liberally into the auric field for a quick and effective energetic realignment or use over a period of time to support more permanent transformation. You can also take these essence sprays internally in the same way as oral essence combinations if you wish.

Size: 50ml

Angelic Gifts Spray: Friends in High Places

Use this spray to help you receive inspiration, illumination and guidance from the Angelic Realms

Essence Description

Inspiration, illumination and guidance for our life's path and the challenges we face on it are readily available from the Angelic Realms if we remember to ask for it.

The Angels can best help us when we align our vibration with theirs by listening for their gentle promptings with love and gratitude in our hearts.

Use this spray to help bring you into greater vibrational alignment with the Angelic Realms and to be open to receive the gifts of their love, light and wisdom to assist you see the higher plan of your life.

Key Points

- Provides a focus for connection with the Angels
- Opens the receptive pathways for inspiration and guidance
- Strengthens vibrational alignment

Auric Protection Spray: Safe Boundaries

Use this spray to help you to create and maintain positive energetic boundaries.

Essence Description

Use this spray to help strengthen your aura and energy fields when you know that you will be facing situations that normally present you with an energetic challenge.

You will find it particularly helpful if you tend to be over sensitive to others emotions and thoughts, experience an 'energy drain' when around lots of people or struggle to separate your emotions from other people's in emotionally charged situations.

This combination is one that we have found to be especially effective in spray form because of the immediacy of its actions.

Key Points

- Strengthens the auric field
- Quickly decreases over sensitivity in emotionally charged situations
- Helps you stay within your own energetic boundaries
- Minimises energy drain

Clarity & Perspective Spray: Clearing Confusion

A breath of fresh air for the mind.

Essence Description

This is a wonderful spray to use when you find yourself going round and round in your mind about an issue or situation and just getting more and more confused, frustrated and unable to 'see the wood for the trees'.

It will quickly relax the mental body allowing 'mental blocks' to dissolve and the mind to expand so that you can connect with the greater clarity and perspective available from your soul and higher mind.

As Albert Einstein so aptly said 'the answer to a problem will never be found at the level at which it was created'.

Key Points

- Dissolves confused, muddled thinking
- Expands perspective
- Helps with problem solving

Earth Connection Spray: Strong Foundations

This spray will very quickly help you to realign and re-balance when you are feeling ungrounded or disconnected from your body.

Essence Description

Many of us carry unconscious patterns that make it difficult for us to fully activate our energetic connection with the Earth.

However, the higher we reach spiritually the more we need the solid support of our earth connection and energetic foundation so as we expand in consciousness it is particularly important that we pay attention to what is happening in this respect.

Our own internal cleansing process as well as the constant shifts now taking place within the Earth as a result of her own cleansing can both leave us feeling temporarily ungrounded and unsettled.

Use this spray to pull you firmly back into your body and help you to realign and stabilise your energetic foundations.

Key Points

- Helps you to ground and connect with the Earth
- Stabilises your energetic foundations
- Reconnects you with the 'now' moment

Energetic Alignment Spray: Soul Connection

This spray helps to bring all the subtle bodies, chakras and subtle energy points into greater alignment

Essence Description

When our energetic system is aligned through all the levels it is easier for us to release old patterns and issues as well as to receive guidance and help from the more expanded aspects of ourselves.

Our lower energy bodies also need to be in balance and alignment so that we can act as a channel for our soul's light to flow through into the world. The more we use focus and intention to create this alignment the stronger it will grow.

Use this spray regularly to help bring all of your subtle bodies, chakras and subtle energy points into greater alignment. This will powerfully assist any energy healing technique that you are using as well as enhancing your ability to meditate and to connect more fully with your soul and higher guidance.

Key Points

- Helps connect to higher guidance
- Aligns energetic system
- Enhances meditation

Environmental Stress Spray: Cleansing & Strengthening

Use this spray to help with sensitivity to environmental pollution.

Essence Description

Environmental pollution now comes in many forms, much of it energetic and unseen.

Sensitivity to it is unfortunately becoming a major and increasing issue for many people because of the strain that it puts on both the subtle energy system and etheric blueprint.

The Environmental Stress spray is an excellent combination to help limit the effects of this sensitivity as well as stimulating a release of accumulated impurities of all kinds from the energetic blueprint.

Key Points

- Reduces the energetic effects of environmental pollution
- Strengthens the etheric blueprint
- Dissolves energetic impurities

Harmony & Tranquillity Spray: Promoting Balance

Use this spray to help you stay connected to your own inner centre of harmony & tranquillity

Essence Description

A peaceful mind and balanced emotions are essential ingredients if we are to experience true harmony and tranquillity in our lives.

However we all know that these are states that can sometimes be very illusive as we deal with the triggers and challenges of everyday life.

Use this spray to help restore balance to unruly thoughts or turbulent emotions and reconnect you with your own inner centre of harmony and tranquillity.

Key Points

- Calms the mind
- Balances the emotions
- Helps restore inner equilibrium

Heart Connection Spray: Living in Love

Use this spray to helping you to live more fully from the perspective of the heart.

Essence Description

When we live life from the perspective of the heart whole new realms of opportunity become available to us because we are in vibrational alignment with our true self and with the higher plan of our life.

Denial of the love that we truly are is unfortunately still a deep unconscious pattern for many people and one that creates painful barriers around the heart that prevent us from living in love.

Use this spray to promote a swift cleansing of old emotions that block you from fully opening your heart or simply to help you open your heart more deeply either to yourself or others.

Key Points

- Opens the heart chakra
- Cleanses old emotional pain
- Reminds you of the Love that you are

Positive Vibrations Spray: Cleansing Negativity

Use this spray to cleanse and purify your personal energy field and to clear your living or workspace.

Essence Description

Maintaining positive mental and emotional attitudes is as important as physical cleanliness for our overall health and well-being.

Thoughts and feelings are all energetic frequencies and those that we choose to be predominate in our everyday reality will be the ones that set the universal law of attraction into motion to bring forward new life experiences.

It is not only our personal energy field that is affected by the vibrational frequencies we choose to entertain. Those around us as well as the places in which we live and work will also be affected, positively or negatively, by our choices.

Use this spray to cleanse and purify your personal energy field or use it as a space clearing spray for your living or workspace. Calling in the transformational Violet Flame when you use this spray will enhance its effectiveness.

Key Points

- Cleanses personal energy field
- Environmental space clearer
- Releases negativity
- Promotes positive attitudes

Strength & Courage Spray: Overcoming Fear

Use this spray to help replace the vibration of fear with those of strength & courage

Essence Description

Fear is an energy that has been woven deeply into the human collective consciousness and we all carry patterning, often unconsciously, that can potentially pull us back into this vibrational frequency, especially when we find ourselves facing unexpected challenges.

However, fear is a vibrational frequency that belongs to the illusion of separation and is therefore not 'real' from the perspective of our true self.

Use this powerful spray to help you dissolve and transform vibrations of fear and remind you of your own innate strength and courage and the love that is your true self.

Key Points

- Shatter the illusion of fear
- Dispel old fearful beliefs
- Find your inner strength & courage
